Finally, The Power of Change need to review how they treat failure. If you are operating in a stable or predictable context with a well understood change strategy in the upper right quadrant it may be entirely appropriate to use a traditional linear planning approach. Funders can exert significant influence over the ability of activists to adopt a power and systems approach.

Remember that when we realize and utilize the power of habits, we are more powerful. Community-based entrepreneurs with scalable tech-solutions that address systemic challenges. There are little changes you can make, and then there are the major life-overhaul changes. A crisis is like a forceful, abrupt change tornado which initiates dramatic change whether you like it or not. So too with our spirituality. But ask yourself how many past resolutions have the Readers!
