What we advocate is not uniquely Quaker but human and, we believe, the will of God. If you do not think of the end, it will be full of distress, even of the greatest. George V declared official days of prayer for the Church of England and the established church including the Church of Scotland zealously supported the monarchy, which in changed its very name to the House of Windsor, suppressing its Germanic roots as the House of Saxe-Coburg and Gotha.

For an excellent conceptual overview of political religions, see Roberts, D. But "rational" scientists believe in the existence of various real things that are, like God, not themselves directly observable; they're believed in on the indirect evidence of their effect on things that are empirically observable. Shared telephones are available outside houses in business premises or telephone booths.

The preacher in question, it is said, is of good standing in the Church, and the grace of God is rejected by modern liberalism.
