Robert C. Individual, family and group psychotherapy www. AuthorBiographyAlanD. The pictures are filled with homey clutter and familiar detail, and the activities of the appealingly quirky characters who resemble dinosaurs in only the broadest way add a strong, comforting sense of what can only be called normalcy. In a society where mourning and melancholia are often ignored, this book gives mourners the supported and reassurance necessary to understand and appreciate that their depression is a regular part of the grieving process. Skiptomaincontent.Lastnameisrequired.The remainder of the ideas offer practical, here-and-now, action-oriented tips for embracing your grief. Seller Inventory BTE
