Emperors naturally figure largely as bestowers of pardon in Tacitus, but commanders of Roman or rebel forces, foreign rulers, and the senate also feature. A pardon would allow the person to run for the office. Tacitus conveys the agonising dilemma faced by the troops besieged by Gallic rebels at Mogontiacum: choose the *venia* Pardon Volume II by Classicus, or *famem ferreumque et extrema* Hist. That last revival in the scale of hanging, however, was soon tempered by significant alterations in the character of the pardon process and an increase in the scale on which mercy was shown to the condemned—changes that were informed by a public culture whose outlook on capital punishment was changing in decisive ways. PersonsintrustedbyordinanceTo prevent the governor from being inundated with applications, to insulate the governor during the application process, and to provide a system that carefully evaluates the merits of each application, recent governors have established a screening panel or board by executive order. The governor reviews the file and the board's recommendation for each case, discusses the case with the Pardon Volume II counsel, and then decides whether to grant clemency.
