The Eucharist is a precious nourishment for faith: an encounter with Christ truly present in the supreme act of his love, the life-giving gift of. Summary of the introduction: The encyclical starts with what the ancients put their faith in and proceeds to move directly to what our culture believes about faith – that it is something for the blind, those driven by emotion.

While the sacraments are indeed sacraments of faith, it can also be said that for Christians learn to share in the same gaze of Jesus. In the end, what we are left with is relativism.

Faith provides a light by which we can and do understand a lot about the world and the Church. Lumen Fidei the first encyclical of Pope Francis, released less than four months into his papacy, is a powerful beacon for the Church and the world.
