But that was not enough, because I ran into so many people who
just did not want to get involved. This is an except from a
letter written to a former radio activist, articulating the
desires and radical imaginings such radio inspires through
time – the continual resonance it has for dreams of dialogue
and revolution. Tombak is an Iranian percussion instrument,
capable of performing very complex rhythms.

While scientific method is important, if it is not used to
explore creative educated guesses it may be a long time before
we strike gold. By trying to smoothen the transitions between
these two very different sources, the piece became a sort of
study of morphological comparisons.
