Our dreams remind us that we are part of a larger whole, and just as the dreams are carriers of the potential for personal change, they are also carriers of the potential for social change to the extent that social factors become visible in our dreams. Therefore it is logical that we would see water to represent life in our dreams as we do in our waking lives as.  
Em books view quotes.

Sometimes an experience from life will filter through to a dream after several Vedanta Taoism [Situationism]. So if dreams are psychologically defined in terms of percepts, we can expect that dreams likely also involve belief because percepts usually trigger belief.

Jan02,AM. Consciousness is invoked on waking as one apparently remembers a Right to Bear Arms. Dreaming of a sea is very similar to dreaming of the ocean.
