One of our central principles is that the usage of language in one period is a factor in determining the usage of that language in future periods. In its auditory three-consonant version trigrams are presented to participants who must recall the items in correct order after variable delays, during which an interference task is performed.

With regard to date the Index will, it is believed, be found to contain the data. In the eleventh they began, but the beginnings are represented only by Roland the Voyage de Charlemagne and perhaps Le Roi Louis. A musical journey where the voice and music accompany us through the different sound landscapes and times of one of the most powerful and influential music of the 20th century, Jazz.

Ad a day on which we celebrate with the special and beautiful Big Band Sound. From this was born the idea of building and proposing to the public a repertoire that explores more or less famous jazz themes. Test-retest showed good stability of the French version.
