There are tons of good books that teach the basics of how to write fiction. The series handles the characters perspective on things very. Kyros had lived a quiet life as a scribe until his dreams begin seeping into his waking life.

TheMFAcurriculumencompassespracticalandcriticalskillsacrossavarietyofgenres. The characterization is incredible and you can really tell that the author thought through the personalities of even the most minor characters. Good thing I did my research and chose this website to outsource all the essays. I like the way the story is told, the main character is looking back at his life and telling us what happened along the way.
