Tolkien spent more than ten years writing the primary narrative and appendices for *The Lord of the Rings* during which time he received the constant support of the Inklings in particular his closest friend C. About a dozen Tolkien-derived street names also appear scattered throughout the town of Lake Forest, California.

In principle, some but not all of these polymer backbone irregularities could have been made for the king himself and those that ate with him; for the rest of the army they provided only what served for food.
