Our second vehicle, the ES6, was unveiled in December in Shanghai. The idea of society as a social contract however, contrasted sharply with the realities of actual societies. Fiction--Bibliography. In the date when The French was published, West and Williams, with the second series of Contact magazine, or some of the contributors to New Masses were developing forms of modernism in an American grain as part of a political reflection on the evolution of modernist art in a world in which expatriation to Europe was not considered as a solution anymore.
