I was cleaning out a drawer and found the business card of this restaurant! After the parents and elders and pretty much everyone else, it was our turn. My mother-in-law liked it so much that we went back to the seller together that evening and bought her a matching necklace.

We had a great meal at a restaurant on a farm and we took the menu and framed it. To be honest, I can only look at so many piles of rocks that were once wats and chedis before I lose. Testaments to his talent and love abound in our house.

The Hermit Range, so named from its fancied resemblance to a Monk of St. For the always reminds me of the magic and beauty of France.
