It's great for browsing, for looking up bits and pieces; the best way to use it is... Featuring interviews with Stephen King, Ron Howard, Dark Tower expert Robin Furth and others, Bev Vincent reveals "The Dark Tower"'s influential literary origins, examines its connections to the vast majority of King's other novels, explores the expanded universe, catalogs the major characters, locations and concepts, and includes a travel guide to the story's real-world locations, giving fans who have followed Roland's journey--or those who are discovering it for the first time--a fascinating overview of the series and an inside look at the creative process of one of the world's most popular authors. Used Hardcover Quantity Available: 1. The Dark Tower series by Stephen King. Either by signing into your account or linking your membership details before Learning, Inc.
