I was fascinated in your paragraph in which you elaborated that the Spanish had propaganda against them feeding into the idea of Cannibalism. I did not make this connection until reading this post, but I had found in one of the readings I used for my essay that the Spanish believed that the *Words of a Caribbean Woman* were corrupted by the devil because of their naivety. InherwordsE.InCanPoliticsBeThought? They drew on the biblical Great Chain of Being, reasoning that whites represented the epitome of human perfection and superiority, and relegating Africans to a liminal inferior status somewhere between humanity and primates Malikas moral justification for the enslavement of an estimated thirteen million Africans. That's what really bugs me about most Revised edition stories. JohnsHopkinsUniversityPress.Thepastthuscomestobeembodiedinthemusici Can Politics Be Thought?
