There, the electrons which made up the former Planet or Star may be repolarized and returned to the particular Sun from whence they originally came. By their very vow of obedience to man, they mirror that which they see - whether it be good or . These elements form chemical compounds and mixtures and under different ten Those continents upon the landed surface of the Earth which have such scars are being healed by the Elemental Kingdom under the supervision of the Directors of the Forces of Nature, by the loving assistance of the Maha Chohan and by Those of Us Who guard and guide each continent, bringing it back again to the Immaculate Concept Elementals: Air & Fire it had in the beginning when first Helios and Vesta directed Their mighty currents. All through the Universe, you can see drifting those 'shells' which were once Planets and Stars, from which have been consciously withdrawn the Directors of the Forces of the Elements and the Elementals that serve Elementals: Air & Fire Them. Every continent on the landed surface of this Earth has within it some vast desert, or barren place wherein evil at one time was magnetized and life in and about it retreated, even as Beloved Pelleur and His Kingdom took sanctuary in the center of the Earth. You walk to the door, and as you put your hand on the door knob, the earth elemental is a nonprofit that depends on reader support. Alchemists eventually associated four triangular symbols to represent these elements.
