Submit vote Cancel. Maalouf touches on several themes - the antagonism between the rich, technologically advanced Western countries and the poor South, corrupt science and sexual discrimination. Please enter a number less than or equal to 2. Contactseller. There are no independent minds comments yet - be the first to... Ships with Tracking Number! But we also have to rise above our own sentiments, so we can calmly analyze events without being blindsided by nostalgia and sadness. Indeed, this vision corresponds to my way of thinking about events. How do you envision the role of imagination in your approach? It is true that I quite often speak about sadness, especially when I am observing the evolution of the countries to which I am attached; when I see them drifting, when they previously carried so much potential
