This book is not yet featured on Listopia. They highlight fascinating examples that reveal the Restless China faced by ordinary citizens: how they are treated by officials after they have been involved in accidents, jokes they tell Restless China the Soviet Union, preparations many well-to-do businesspeople make in case they decide to emigrate, discussions about the holy and the sacred, responses to food safety. Marxist ideology and socialist ideals have almost completely collapsed, replaced by a comb This compelling book explores the explosive pace of change in China and how its citizens are grappling with a dramatically new world, both in the public and private spheres.

Maddie added it Dec 03, Restless China. Construction in preparation for the Beijing Olympics provides a recurrent image -- workers in hard hats, bulldozers, and scaffolding -- reminding you that the nation is looking forward to a "global coming out party" even as Restless China struggle with day to day details.
