Priorities for Europe. Introduction: What Is the Problem? Nevertheless, they are all subject to the same legal and regulatory constraints. It is not a programme, but an outcome of any structured physical education provision, which is achieved more readily if learners encounter a range of age and stage appropriate opportunities. Therefore, to help keep affordability of PSE, the government has been providing annual funding under the anchor operator AOP scheme for eligible kindergartens and child Enhancing the Quality of Learning centers since to support the preschool centers in attracting and retaining better quality teachers. A good preschool education, especially in the kindergarten years, provides the foundation for learning. Pan, Y. To enhance such learning, the instructional environment should enjoy the following characteristics: Hands-on: Students are actually allowed to perform science, math, history. In fact, this type of pedagogy is partly to blame for the high unemployment among university graduates in African countries.
