One of my favorite easy dinners has always been an easy baked pork tenderloin – its hearty, rich and delicious, super easy to make, and soooooo delicious. You might simmer for about mins in the frying pan or while you are getting other things for the meal ready.

Simple, easy and packed with flavor. We love pork tenderloin, it is my favorite. Was easy to fix. It's just a little bland. I used boneless pork chops, which we prefer.

This recipe is intended to give you extra pork for dinner later in the week. It's an impressive looking dish serves 10 people and can be ready in just 30 minutes!
