San Francisco, New York, and London are often the nexuses of American apocalyptic stories; densely populated and tech-focused, the settings are fodder for stories about invention gone too far. His vision included the beaches of the Atlantic ocean stretching westward with man made lakes, infrastructure, roads and the Intracoastal waterway. Plenty of tales of dystopian futures focus on everyday people trying to live out their lives even as sinister forces prey upon . Whydowedie? Then the 'drownings' commence.
